

**AntiGravity® Fitness Partners With The Breast Cancer Fund To Help Find A Cure
Funds Propel Fight Forward With Classes & PINK Hammocks**

In support of Breast Cancer Awareness Month, [AntiGravity® Fitness](#) is partnering with the [Breast Cancer Fund](#) to find a cure.

WHAT: During the month of October, **AntiGravity** studios will donate proceeds from designated classes, to the Breast Cancer Fund.

Additionally, limited edition PINK Harrison AntiGravity® Hammocks will be available on www.antigravityfitness.com, with 100 percent of proceeds benefitting The Breast Cancer Fund. As added incentive to participate, the studio that raises the most support will also receive a pink hammock signed by Founder Christopher Harrison.

WHY: With one in eight women facing the disease, Breast Cancer blindly touches all. AntiGravity Fitness takes prides in [empowering women](#) in over 50 countries, including Saudi Arabia.

About AntiGravity® Fitness All AntiGravity Fitness techniques are derived from the performance team’s warm-ups and aerial conditioning exercises. Christopher Harrison is best known for bringing contemporary aerial arts to Broadway, rock tours and TV award shows and for creating the current aerial fitness movement. AntiGravity (established 1991) is now widely considered America’s premier aerial acrobatic entertainment being the President’s Choice for his Inauguration. AntiGravity® Fitness (established 2009) most recently launched AntiGravity® AIRbarre, Harrison’s seventh copyrighted fitness technique.
